The six other finalists surround Miss Altona Apex 1970, Ellen Barrow, and on the right Miss Charity Queen, Barbara-Anne Kersley. Others in the photo, from the left, are: Corrie Noordenne, Lynette Chamberlain, Joan Lalor, Christine Mandics, Jackie Arthur and Lynette Velnoweth.

Miss Apex Altona 1970 is 19-year-old Ellen Barrow, of Bell Avenue, Altona West, and Miss Altona Charity Queen is 16-year-old Altona North High student Barbara-Anne Kersley.

Eight finalists appeared at the crowning ball at Altona Central Reception on July 17. Ellen, sponsored by Herbert's Pharmacy, is the daughter of Mr. and Mrs. Ed Barrow and a costing clerk with a South Melbourne firm.

The family migrated from England when she was 14.

Ellen was crowned by the Mayor of Altona, Cr. P. Burns, assisted by one of the judges, Miss Janine Farrelly. She received a trophy, sash, cheque for \$250 and will be sponsored by Altona Apex Club in the State finals of the Quest of Quests at the Royal Ballroom in August. If successful she could go on to the national finals in Sydney where the winners of eight various titles are decided.

Miss Charity Queen, sponsored by Rosso &

Bettoli, raised the most money — in eight weeks Barbara-Anne collected \$1,245.

Barbara-Anne, who lives with her family in Corrigan Avenue, Brooklyn, is a Form V student who had the backing of her school in her fund-raising efforts.

Activities included a walkathon, barbecue, progressive dinner, various other social functions and a collection at a school assembly and money credited to her from sales of tickets in the caravan raffle, run in conjunction with the Quest.

Barbara-Anne was crowned by Mr. Bob Stringer, President of the Hospital Board of Management, assisted by Miss Farrelly.

Her prizes included a trophy sash and \$200.

Each year this Quest is conducted by Altona Apex. Proceeds from the raffle, approximately \$1,500, were handed over to Mr. Stringer for the Altona Hospital by Altona Apex President, Mr. Jack Carroll. The remaining money from the Quest will be paid into the Altona Apex Club's Charity Account.

Apex Winners ← THE QUEST ← THE CARAVAN

The Putkunz family take possession of the caravan raffled by Altona Apex Club. From left: Mr. Tex Putkunz, Mr. Graham Daley (Miss Apex Quest Organiser), Mr. John Gregson (Raffle Organiser), Mrs. Mary Putkunz (who bought the winning ticket, No. 4391), son Denis and pictured in front are Anita and Gary Putkunz. A third son, John, was absent when the photo was taken.

The raffle was drawn earlier in the week at the Altona Police Station.

Mr. Graham Daley, Chairman of the Altona Quest, presented the keys of the \$2,000 caravan to the winner, Mrs. Mary Putkunz, of Linnet Street, Altona.

The other finalists in the Quest were Joan Lalor (sponsored by Australian Carbon Black), Lynette Velnoweth (Dow Chemicals), Christine Mandics (T.M.T.), Jacqueline Arthur (Frank's Men's Wear), Corrie Noordenne (L. C. Noordenne Pty. Ltd.) and Lynette Chamberlain (Altona Central Hotel).

Miss Apex was selected by three judges — Miss Gwen Weir of the Models and Mannequin School in Melbourne, Miss Janine Farrelly, a former Moomba Princess, and Miss Electricity 1970, and Miss Young Australia 1970 and Mr. Lyndsay Symons, Zone 1 President of the Association of Apex Clubs, State Chairman of the Quest of Quests and a member of the Quest's National Executive.

LOCAL BOYS RECEIVE AWARDS

Earlier this month Phillip Pearce and Alec Straubinger from Altona North Technical School, together with 18 other award winners from all parts of Victoria, were presented with their silver Duke of Edinburgh awards, at the National Mutual Theatre.

The presentation was made by Mr. V. Dickie M. L. C., Minister for State Development and Tourism before an audience of educationalists, youth leaders, parents and friends.

The two local boys completed their awards at the school in 1969.

During the evening the English and Australian awards films were shown.

Both boys chose cycling for their expedition. Alec chose ballroom dancing for his pursuit and hobbies section. Phillip has left the school and is now studying for a chemistry diploma at Footscray Institute of Technology.

New Location For Altona Star

The Altona Star is now being printed at its new location at 108 Pier Street almost opposite the building previously occupied. All the usual facilities of the Altona Star are available and the telephone number is unchanged — 398-2277.

ELECTIONS

Next week a notice will appear in the Altona Star inviting nominations for councillors for the City of Altona.

Nominations will close the following week and the Town Clerk, who is the Returning Officer, points out that the election day, if needs be, is on Saturday, August 29.

Gold Medal To Local Sportsman

Nick Cianco, of Chambers Road, Altona North, is bringing home a gold medal from the Commonwealth Games.

He won the light heavyweight division for weight-lifters.

Prior to the Games, Altona Council donated \$50 towards the Australia-wide appeal for funds for the athletes' expenses.

COUNCIL TIP AT THE PINES

The Altona City Engineer, Mr. R. C. Simmons, advises that the Council Rubbish Tip at Altona North, in Blackshaws Rd., is now closed.

The tip has been completely filled-up and levelled off and is to be developed for recreational purposes. This is W. L. J. Crafts Reserve.

The new tip has been established at the end of Altona Road, Seaholme, south of The Pines, and is now open every day of the week from 8 a.m. to 5 p.m.

Specified fees must be paid to the tip attendant, who will direct where tipping shall be done.

The Town Clerk pointed out that the Litter Act has a provision of \$200 penalty for people dumping rubbish in unauthorised places. Cooperation of all tip-users is sought to ensure that rubbish is dumped at the new tip.

This will be the middle of the school holiday fortnight and therefore, people who are going away for school holidays should make a postal vote before they depart. Postal voting papers will be available from August 17. This is a preliminary notice and more details will be given later.

Donation to Elderly Citizens

On Friday last (July 24) the Altona Elderly Citizens' Club received a donation of \$100 from Altona Petrochemical Company. Club Manager, Mr. McCormack, accepted the cheque from Mrs. Pat Allaway and Mrs. Joyce Wright, representing APC's management. The donation will be used to provide additional heating in the clubrooms.

EDITORIAL

ALTONA COUNCIL

An objective view of the Altona Council is of nine men elected by the citizens of Altona, supported by officers with administrative and technical experience.

They are in their positions to ensure that the affairs of the City of Altona are governed in the best interests of Altona people.

To this end, utilitarian functions must always have first place. The revenue of the City must service the citizens' needs for roads and services and health control.

This has been the successive Altona Councils' endeavour under the ever-increasing ramifications of modern practices.

The widening scope of the Council province is illustrated in current matters before its councillors.

There are reports of road construction and services and consideration to be given to applications for building additions and alterations.

The draft of the financial estimates for 1970-71 is under discussion.

There are several proposals which could lead to permanent beach and foreshore improvements.

The Council is to investigate noise level readings in various parts of the City.

It has before it a detailed appreciation of the needs of every park and reserve in the City.

A great increase in tree planting in Altona is visualised.

Council is giving consideration to Education Week in Altona — to kindergartens — to an art show.

A by-law covering the keeping of animals may be implemented.

And on a technical plane, how far the use of P.V.C. piping for drainage work will be approved, may effect many new householders.

In many of these matters, Council has the advice or recommendation of the executive officers, but the final and sometimes far-reaching decision must be based on the consensus of opinion of our nine councillors.

Capacity, comprehension and common sense are essentials for every councillor.

LETTERS TO THE EDITOR

Retiring Crs. to stand again

Sir—

Three years ago, the people of Altona elected me to serve them as Councillor in the then Shire of Altona. In my first year as councillor, Altona became a city and during the last year, it has been my pleasure to serve the people as Mayor, which I deem was a great distinction and a great honour. I hope that my efforts have been to the satisfaction of the citizens.

I have been requested to again stand for re-election by many ratepayers and therefore again offer my services enthusiastically.

During the last three years, Council has had many problems to attend to, none the least of which was a very substantial financial deficit. Along with my colleagues elected in 1967, we have worked conscientiously and have resolved some of the problems of our city. Other problems still remain and I would like the people of Altona to re-elect me so that I can continue with this work. Also, Altona is a very progressive community and so that some continuity can be maintained with the orderly progress, it is desirable that continuity within the Council be maintained. I therefore seek the support of the people of Altona by asking them to re-elect me to represent them at the forthcoming August elections.

—Cr. PAT BURNS, J.P.

Sir—

At the August, 1967 Altona Council elections, the people of Altona elected me to serve them as their councillor. I trust that my efforts and endeavours have met with their approval.

I have been asked by many ratepayers to again make myself available for re-election at the forthcoming elections. I therefore offer my services to the people of Altona with the same attitude as I did previously and, if re-elected, will again endeavour to serve them with the same enthusiasm as I believe I have in the past three years.

Altona is still in the midst of great change and in fact, has become a city during my term as a councillor and I hope that my efforts on your behalf will assist in the continued development of our city.

By the same token, Altona has many problems yet to be resolved and when elected in 1967 I promised to strive to correct some of these. Because of this, I would like to continue in this work and so make Altona a better place to live and to work.

I therefore ask the people of Altona to again elect me as their councillor at the forthcoming elections so that I can continue to represent them at the Council table.

—Cr. DOUG. GRANT, J.P.

Sir—

Due to the many requests from fellow ratepayers over the past few weeks I have decided to seek another term representing the ratepayers of Altona on the Altona City Council.

The past three years in Council have been a great experience for me. I have really appreciated the opportunity of working for and on behalf of the ratepayers of Altona.

There are a great deal of demands on a councillor's time, but when I look back over the last three years and realise the good job that has been done by the present Council I am very happy indeed to have been a member of this team of dedicated men whose sole interests are in Altona and the well being of its ratepayers.

Perhaps the happiest memories of my first term in Council are the close associations I have had with youth attending schools in Altona. As chairman of Altona Junior Council and co-chairman of Education Week I have been in close contact with students, primary and secondary, and I can honestly say we have the finest community of young people, one could wish to have within the boundaries of our city.

In the August, 1967, Council election I received a strong vote of confidence from Altona ratepayers for which I am eternally grateful and look forward to a similar result this August.

If in the past three years I have been helpful in some way towards Altona's progress I have been amply rewarded by having represented you in Council.

—Cr. PAT LYNCH, J.P.

DISTRICT GOVERNOR VISITS LIONS

Mr. JOHN WOHLERS, District Governor of Lions Zone 201F, who recently returned from the Lions International Convention in Atlantic City, U.S.A., visited Altona Lions last week.

Mr. Wohlers represented the 51 Lions Clubs in the western half of Victoria at the world gathering of Lions.

He reported that about 35,000 Lions had attended the convention, which was on a grand scale. The new international president was Dr. Bob McCullough, an osteopath from one of the Southern States of the U.S.

A Canadian was elected International Vice-President and with it likely eventual leadership — an announcement which triggered off wild scenes among his supporters.

Mr. Wohlers said that Lions Club in Australia could further one of the objects of Lions "to create and foster a spirit of understanding among the peoples of the world" by participating in youth exchange activities.

He said that the cabinet of District 201F was particularly pleased with the international affairs leadership of Mr. Len Rowe, of Altona club, in the Lions' year just ended.

"More was done in international relations last year than has been done for years," he said.

Mr. Wohlers attended a dinner of Altona Lions Club and their womenfolk at Koorling Golf Club. He was accompanied by Mrs. Wohlers and the district secretary — treasurer, Mr. Eric Johnson, of the same club as Mr. Wohlers. Corio Bay, Geelong.

Future Lions' activities will be discussed by the 18 clubs in the area between Gisborne, Altona and Broadmeadows at Sunshine on August 9.

AN APPEAL TO PARENTS

Has your boy brought home a big Rope Cargo Net?

At the weekend the 2nd Altona Group of Scouts was camping at the Pines and two boys took this net from the Grounds. Not satisfied with this, they came back at 1.30 a.m. and tried to let the tents down on the sleeping scouts.

The stolen net was only lent to the Group for the boys and it will be hard to find a replacement.

Information leading to the recovery of the net would be appreciated, please call the Star Office 398 2277.

ALTONA ROTARY CLUB

Mr. Keith Hannay, Director of the Bureau of Meteorology, was guest speaker at last week's meeting of Altona Rotary Club.

He told members that the theme of World Meteorology for this year is "Training". As part of the local contribution, people are being made aware of how to obtain forecasts for their particular area. Forecasts have an accuracy of 75 to 80 per cent, and it will soon be possible to have forecasts four days ahead with the same accuracy as the present 24 hours forecasts, said Mr. Hannay.

The Bureau employs 1400 lia. Of these, only a small persons throughout Australia proportion are trained meteorological forecasters and three types of engineers are neers, communications engineers — electrical engineers and hydrological engineers.

Mr. Hannay said among present activities of concern to the Bureau are the sea waves and swell around the coast as this is important for off-shore drilling. He pointed out that Mildura is one of the two centres in the world where radio-active fallout is measured.

The greatest proportion of the Bureau staff is engaged in serving the aviation industry. Forecasts can be much more accurate if the forecaster concentrates on one aspect of the weather only rather than on all aspects in general as with weather reports for the general public.

Mr. Hannay mentioned that two satellites are helping with weather forecasting — one uses television and gives cloud pictures during the daytime, the other gives infra-red pictures and temperature indications at 2 a.m. He believes that within 10 years we shall be using constant level balloons in weather forecasting.

4th Altona Scouts

The next meeting of the 4th Altona Scouts Ladies' Auxiliary will be held at the home of the secretary, Mrs. Shirley Haining, 16 Spear Court, on Friday, July 31, at 8 p.m.

All mothers of cubs or scouts will be made welcome.

SCHOOLS SOCCER

The schools played their sixth round on Sunday, July 26, in perfect conditions.

A surprise result was the defeat of West by Altona 8-0. Altona played as a team and never looked like losing. West were unable to penetrate Altona's defence.

Best for Altona: Hopper, V. Pace, P. Neyland, Drew. Goals for Altona: Drew 4, V. Pace 2, Hopper, F. Pace.

Best for West: Pinney, N. Ritchie, Nespor. North and East played a scoreless draw with defences on top. East failed to convert a penalty when one of their players was brought down in the penalty area.

Both these teams are playing a good open style of soccer and perhaps a draw was a fitting result.

Seaholme had a bye.

Best for North: M. Herbel, Kapusta, Anile.

Best for East: S. Totikidiss, N. Meletis, J. Dimitriov.

HELLO GIRLS,

It may seem a little early I know to talk about Christmas that is, but I must. Never could keep a good secret. Oh, what lovely gifts we will soon have in store for you. Start putting a little money aside now—and be prepared for a wonderful Christmas.

Yes, this month we have been busy buying up all the goodies for you.

Gay colours—Revlon for instance. Their Aquamarine gifts wrapped in the traditional aqua colours—plus lemon and a royal blue bow. Modern paisley design. Intimate brightly coloured in reds and blues. Peep-holes and twist up packs.

Cyclax, dainty and so feminine in pinks, blues, aqua and black. Golden caskets full of women's intricacies. Coty—so pretty—it will be so hard to decide between Imprevu, Laemont, Masumi and the rest. Bronnley have that large range of prices—for the kids to buy, for that man to choose that special gift. Packed full of talcs, perfumes, hand lotions and bath toiletries.

And Amcal—do they have pleasant surprises for you! It took hours to order. There are so many ideas there. The prices—they are ridiculous. Keep an eye out for all these new arrivals—they arrive early and it pays to be there right then.

I think this time of year the short, cold, dull days they all get us down. So little time to do so much. And don't you know it—how tired you feel and look just when that special occasion is there.

Cyclax Twenty Minute Mask for you. Brides-to-be, before any special function, ball, or that all important "date"—get that feeling of luxury and for such a small cost (five applications in one tube). You will be thrilled by this gentle, creamy mask because you can feel it smooth, our tension lines, fatigue lines, brings fresh colour to your complexion by stimulating and refining the skin. So easy to apply and just smooth over the entire face and neck after cleansing. Remove after 20 minutes by gently rinsing away with warm water. Pat on your Skin Tonic or Flower Balm, see how quickly that "tired" skin responds. Talking of "tired" skins, if any of you have problems with your complexion—sallow, blackheads, spots, blotches, etc.—please ask for information on Special Lotion for deep pore cleansing or purifying. This unique preparation has helped clean and normalise countless skins. Be one of them.

Bye.

THE CURTAIN RISES

BY THISBE

"The Duenna," the lovers and the revelers will soon pack their costumes into boxes and return to being school teachers, students and office workers.

The strains of the music will float away on the evening air and be lost to us except as a fading memory.

The enormous effort that goes into one of these productions is only worthwhile if the finished work gives pleasure to the audience who sees it.

"The Duenna" showed many people that the traditional Comic Operetta, with its improbable plot and gay music can also be great fun.

We were pleased to see many old friends playing together in character parts and having a great deal of fun while they did it. The fact that these experienced people were joined by new, young people added that extra sparkle that makes for success.

Time is always limited for theatres and before those boxes are packed away we must start preparing for our next production.

Mr. Robert Kale will be at the Williamstown Little Theatre, 24 Albert Street, at 2 p.m. on August 2 for the casting of Peter Shaffer's "Five Finger Exercise". Play readers will be made welcome by Mr. Peter Curtis — same time, same place!

**Good News
For Dockyard**

Mr. Charlie Hardy, the T. & G. Mutual Life Society's Regional leader for the Western Suburbs, has just completed negotiations with union leaders at the Naval Dockyards, which were instrumental in the T. & G. installing an Accident Sickness scheme providing benefits for more than 700 employees at the dockyards.

**PHILATELIC
SOCIETY**

Highlights of the July meeting of Williamstown Philatelic Society were an auction, the passing round of exchange sheets and a display of Australian Territory first day covers presented by Mr. J. Findings.

Meetings of the society are held on the third Thursday of each month at 8 p.m. in the Mechanics Institute, 15 Electra Street, Williamstown.

Anyone interested in stamps is welcome to attend.

**Newport

Club**

Despite enforced absences through illness, Newport club won three out of the four swims against Footscray.

The senior boys being the defeated team, whilst the other teams won comfortably.

Entries for the Calderwood Handicap closed last night July 22. The 50 metres handicap (form stroke) will be run as in previous handicap swims. It would be appreciated if more interest was shown in the social activities run by the club.

GELLIBRAND CUBS PASS TESTS AT OLINDA

Gellibrand District Scouters from Altona, Williamstown and Werribee recently combined with the Cub Scouters from the Footscray District for a training weekend at "Illangli," Olinda.

Reports on the weekend have been very enthusiastic, the program was varied and interesting and the food was wonderful. Most important, the weather was good.

Latest news from the Gellibrand District Cub Packs includes:

2nd ALTONA

David Ackerby has been presented with his 1st Star. The pack held a successful picture night for Cubs and parents, one of the highlights being a film on the 1967 Scout Jamboree.

After July 27 any 'UFO's' may be explained by the fact that 2nd Altona are going to hold a space night. All systems go, fellas.

3rd ALTONA

Proficiency badges have been gained by the following boys: Entertainers, P. Ellis and S. Hunt; Athletes, C. Lowden and a Swimmer's Badge by B. Woods.

Peter Mathieson and Steve Bosccke are now members of the World Wide Brotherhood of Scouting.

A Prehistoric Costume Night is to be held by 3rd Altona. Someone is expected to come, like Fred Flinstone, but the Cubs don't think the Pack Scouters need to dress up—they are presumed ancient already!

August 1, the Pack will invade the ice-skating world, when they visit the St. Moritz.

4th ALTONA

Steven Snowling and Don Harper have been presented with their 1st Stars.

Second Stars have been gained by Barry Crampton and Bradley Sherman. Proficiency Badges have been gained as follows:

Athletes — Steven Snowling, Barry Crampton and Russell Goldie. A well-done to Pack Scouters Kathleen Johnson and Geoff Laidlaw who have successfully completed Part two of their Cub Wood Badge course.

4th WILLIAMSTOWN

Second Stars to Brian Yarnett and David Barnett.

Sportsman Badge to W. Hill.
House Orderly to Craig McGowan.

Again congratulations to Warren Hill and Craig McGowan who have also gained the Leaping Wolf Badge.

2nd LAVERTON

David Feudloff has passed his First Star.
The Pack has made a start on the Walk-about Badge, although all who started did not finish. Some legs got a bit worn down.

2nd NEWPORT

Four new Tenderpads have been invested as Cubs.

R. Evelyn and G. Thomas have gained the First Star, the Guide Badge has been gained by B. Nordberg and D. Hill. N. Knott has gained his Athletes Badge; M. Lauder the Bookreaders; I. Flemming—Handcraft and D. Musicka his Sportsman's Badge.

Congratulations to Malcolm Lauder, Dean Musicka, I. Flemming, N. Knott and R. Quail who have attained their Leaping Wolf. This is to Cubs what the Scout Cord is to Scouts, the Queen's Scout award is to Seniors and may be worn in Scouts until the boys reach First Class Standard.

1st WERRIBEE

The following boys have passed tests during the last month: 2nd Star, David Hosking; Artist Badge, B. Doyle, G. Parsons, D. Cations, S. Jago, N. Warfe, M. Pilkington, P. Closter; Cyclist Badge, G. Parsons; Entertainers, B. Sadler, D. Rye, D. Cations, G. Parsons.

First Aid Badge, G. Parsons, B. Sadler; Guide Badge, D. Hosking, G. Parsons.

Stephen and Barry Jago were welcomed from Malaysia.

2nd WERRIBEE

Tests passed during the month: 1st Star, Peter Dowling, Carl Mahon; Entertainer and Artist, Chris Erwin.

Swimmer, David Gibbs.
The Pack held a successful outing to the Museum, travelling by train. Last month, the Cubs enjoyed themselves immensely and spent a very interesting two hours in the Museum.

SWINGING WORLD

WITH RON COLEMAN

TWO GROUPS EARNING TOP MONEY

Despite the pop depression in Melbourne some groups are still earning top money.

These groups are few and far between, but I saw two of them in one night at the Wool Ball in the Exhibition Buildings last week.

The Strangers and The New Dream played through from 8.30 p.m. until 2.00 a.m. and proved to be very popular, despite the fact that the average age of dancers was 25.

These two groups are successful because they are versatile and their music is accepted at Balls as well as discotheques.

Their repertoires are comprised mainly of popular numbers with a few "golden oldies" thrown in for good measure.

Most pop groups do not "dig" to play pop forty material.

Instead they go for heavy blues numbers that they learn from LPs.

And this is not always good policy because people have to appreciate the music they are dancing to.

The Strangers and The New Dream have proved their theory of a varied repertoire to be correct just by the amount of bookings they are getting.

And in case you have not noticed, both groups are always well attired and everybody in each group sings.

Very few Australian groups make it unless they can sing three-piece harmonies.

Because, for a group to have only one singer, that singer must be of a calibre equal to Gary Puckett of the Union Gap or David Clayton-Thomas of Blood, Sweat and Tears.

Singers like Puckett, Clayton-Thomas or Chicago's lead vocalist are all top singers in their own right.

They could make it solo.

So to any Melbourne groups who have big ambitions of crashing the scene my advice is make sure your repertoire contains some excellent harmonies and popular numbers.

Dress the way a professional musician should. Because people do not pay money to see a shoddily dressed act.

The Strangers have been a big hit in Australia for over six years now.

This is because the group looks good, sings good and is good.

And if you think groups like this are too conventional, just bear in mind the fact that John Farrar will leave for England in September to join Hank Marvin and Bruce Welsh of the old Shadows.

These guys were the start of four-piece groups and they realise that the Strangers have talent.

Australia will miss John because he has been valuable in the recording studios backing recording artists and he is a good composer.

Apparently Marvin and Welsh have it in mind to form a sort of super-group. So it will be interesting to discover what type of music they play.

The opinion of most is that the Strangers will break up when Farrar leaves but I don't think so.

I honestly don't think that this group can afford to break up when one considers the money that has been earned by the Strangers over the past six years.

And on the New Dream. This group was right "down in the doldrums" a few weeks ago until things started to lift for them.

Now the group is playing at a disco, dance, ball or other function nearly every night of the week.

This group could well move on to steal the Strangers' position when Farrar leaves, but musically the New Dream will never be quite so good.

They are successful because everybody in the New Dream is well known to the fans.

The group has an enormous fan club.

The boys all adore Jenny Johnston because she is of the fairer sex. And many people know Jenny because of her sister Susan who runs modelling classes.

Both Jenny and Alex Kadell are well known from their days with the Changing Times.

Guitarist John Du Bois is a favourite with the girls, but a lot of them adore Jack McGrath, too.

Jack was originally the singer/organist with the Final Four.

And drummer Peter Reid is making quite a name for himself.

Both the Strangers and the New Dream have made numerous original records and television appearances.

With the lack of talent in most Australian groups at the moment, these groups should be where they are for some time.

Meet 'The Hobbies' From Altona North

Four brothers from Altona North have combined to form a group called THE HOBBIES.

And the group is looking for work.

Bill, Louis, Vic and John Schembri practice nearly every night of the week in a bungalow in their backyard.

"We have been playing nearly two years now," said Bill, who came out to Australia with his brothers about five years ago.

"Our favourite music is Creedence Clearwater, the Beatles and Stones.

"We did do quite a few Shadows' numbers, but they are not so popular now."

The Hobbies still need a lot more experience, but it would be of great help to them if anyone wishing to run a small party engaged the group.

They have spent a considerable amount of money on equipment like Ludwig drums and Fender drums.

I feel this is wrong for a group so young in experience.

And in the Hobbies' case, their guitars are too good for their amplifiers.

But they are keen, so what can one say?

You may see them on "New Faces" soon.

And a photo of the group may be featured on this page in the near future.

TONY ROBSON WINS ROAD CYCLING RACE

The 37-mile road handicap conducted by the Williamstown and Newport District Cycling Club last Saturday was highlighted by the good teamwork of Tony and Colin Robson off the middle mark and the tremendous solo effort by the lone scratchman, Leon Constaininiu.

Off eight minutes Tony conceded Colin one minute start and caught him after two miles.
Combining effectively they caught and dropped the riders in front of them and were two out at the finish.
Tony had too much strength in the sprint and held on to defeat a determined Colin by half a length.
Leon picked up Fred Miller, then Geoff Salter and left them both during the third lap prior to setting out in pursuit of the leaders.
He made short work of the remaining middle markers but couldn't bridge the gap to Tony and Colin.
Leon gained third placing and fastest time.
Winston Hendricks won the first lap sprint, Colin Robson the second and Tony Robson the third.

Jim Montgomery was the matchwinner for Kingsville, winning all 3 rubbers, which included wins against leading players Steve Slattery and Barry Taylor. Slattery and Taylor were Colts' best players, each winning 2 rubbers.

Bodingtons remain on top following their comfortable 10-1 win against Centre. Alan Cousley, John Garvin and Lindsay Loone won 3 rubbers each and for Centre Chris Slattery and Chris Lubowicki defeated Loone and Cousley in the doubles.

Marbyrrong (F. Kovacs, J. Lawler, S. Jones) consolidated themselves in second position when they outpointed an improving Liston-Esplanade combination 8-3. Des Jones and Jack Lawler were in dynamic form, winning 3 rubbers each, and for Liston John Kelly and Kevin Lambert won 1 rubber each.

B1 GRADE

AGM moved one game clear of their nearest rivals when they defeated Westerners 7-4. Wally Rosenzweig starred for AGM with 3 rubbers, whilst for Westerners Frank Brown and Daryl Goucher won 2 rubbers each.

F.T. Carpets moved into second position when they easily accounted for Avondale Heights Youth Club 10-1. Rudi Gregor and Bob Scerri won 3 rubbers each and for Avondale Ivan Gribble was their best player, winning 1 rubber.

Brooklyn (B. Watson, A. Dwyall, R. Hewett) dropped to third position when they lost their fourth consecutive game against Centre, 3-8. Jack Wylie and David Doyle were in devastating form for Centre, winning 3 rubbers each. Barry Watson and Alan Dwyall could only manage 1 rubber each.

B2 GRADE

Top teams Ballarat Road Methodists (R. McInnes, A. Richardson, D. Woodyard) and Reckitt & Colman (T.

Powell, J. Jennings, A. Evans) clashed in Round 12 to decide top position.

With the score at 5-3 Bob McInnes defeated Jack Jennings 21-16, 21-8 to give BRM a narrow 6-5, 13-12, 457-431 victory.

Bob McInnes was the star of the match, winning all 3 rubbers for BRM, and he was ably supported by veteran Alby Richardson with 2 rubbers. Ted Powell was Reckitt's best player, winning 2 rubbers in fine style.

Rheem (W. Kinder, W. Stys, T. Czerniecki) retained fourth position when they had a comfortable 8-3 win over a depleted W. G. Goetz combination of T. Molz and K. Winfield.

Wolf Kinder lead the way to victory, winning 3 rubbers and was well backed up by W. Stys, 2 rubbers, and T. Czerniecki, 1 rubber. Theo Molz was Goetz's best player with 2 singles rubbers.

Brian Flynn and Andy Clarke returned to form, winning 3 rubbers each whilst for Goodrich Ken Weston won 1 rubber.

C1 GRADE

Kingsville YMCA (J. Sherman, Chris Thomas, R. Pimblott) clinched the double chance in the forthcoming finals series when they defeated third team Outlaws, 7-4.

Kingsville were stronger overall with Chris Thomas starring with 3 rubbers and J. Sherman and R. Pimblott 1 rubber each, whilst for Outlaws Wol Borkut and Frank Bissett won 2 rubbers each. Grade leaders, Grieve Highway, ended Oliver Davey's

finals chances when they outclassed them 8-3. Gordon Lewis returned to form winning 3 rubbers for Grieve Highway, and for Oliver Davey Dale Liston played well to win 2 rubbers.

Reckitt & Colman (Pat Berry, Ed Dewey, Bob Wendi) maintained fourth place with an 8-3 win over Snappers (Paul Morris, John Catchpool, Barry Smith).

Each of Snappers' players won 1 rubber, whilst for Reckitt & Colman Ed Dewey was undefeated in singles, winning 3 rubbers.

Explosives (Greg Foran, Don Adams, George Roberts) received an 11-0 walkover from Basin Street to improve their percentage. However, they are well out of the final four.

D1 GRADE

Avondale Heights Community Youth Club (1) outclassed Union Carbide in Round 12 to the tune of 9-2, when Keith Bedalla and Herbie Schwartz were in unbeatable form, each winning 3 rubbers and teammate Paul Beigston scored 2 rubbers.

Best player for Union Carbide was Harry Hepburn who won their only rubber. However, even after this costly loss Union Carbide can still make the four and next week's match against fourth side Newport Post Office could decide which team takes fourth place.

Avondale Heights (2), with Peter Scown and A. Bondini in great form, won an interesting game from Newport Post Office, 7-4.

Best player for Post Office was Ron Dalrymple, winning 2 rubbers, and Peter Scown for Avondale won the maximum 3 rubbers. Ballarat Road Methodists (P. Annear, Noel Thomas, F. Brunt) defeated an improved Brooklyn Youth Club (Frank Kennedy, John Zgudka, R. Vella) 7-4.

Best players were John Zgudka of Brooklyn, 3 rubbers, and for B.R.M. P. Annear and Noel Thomas won 2 rubbers each. McKenzie & Holland, second on the ladder, were too

good for F.E.W. and won 9-2, with Rex McLeod and Ray Curwood starting with 3 rubbers each, and for F.E.W. Ron Fowler won 1 rubber.

E1 GRADE

With two rounds to play Bertrams are one of three undefeated teams in the Winter Pennant, and seem likely to complete the 14 rounds without loss.

In Round 12 Bertrams defeated their nearest rivals, St. Andrew's Footscray Cricket Club 8-3, with Barry Bertram being undefeated with 3 rubbers. For St. Andrew's Don Quale showed improved form to win 2 rubbers.

St. Albans (Holger, Stroock, Stephen Fellows, Terry Ryan) showed improved form to defeat third team St. Mary's A, 8-3, and so keep their slim finals hopes alive.

Terry Ryan and Stephen Fellows were in top form, each winning 3 rubbers, and for St. Mary's A, Ray Maloney and Charlie Nuzzo won 1 rubber each.

Seaholme (Stan, Julie, Susan Jeffrey) returned to winning form with an 8-3 win over Triangle. Susan Jeffrey was in devastating form for Seaholme, winning 3 rubbers impressively and was ably supported by sister Julie and father Stan, who won 2 rubbers each, whilst for Triangle George Holowko won 2 rubbers.

D2 GRADE

Williamstown Youth Centre, with newcomer J. Falzon in devastating form, easily defeated Newport Post Office, 8-3.

South Thirds Win Well

South Melbourne, after a slow start, went on to defeat St. Kilda by 21 points.

St. Kilda opened strongly, constantly driving the ball forward, but were off target. A snap by Lees opened South's score, but St. Kilda quickly replied. Nev Stibbard goalied but South were still trailing at quarter-time.

Early in the second term Pasquill goalied and South began to attack fiercely. Another goal from Pasquill, followed by goals from Kurth and Bob Stibbard, put South in front at half-time.

In the third term South again scored through Pasquill but the Saints caught them off guard and scored three quick goals to be six points behind.

The last quarter was all South Melbourne. St. Kilda

"A" FEARONS DEFEAT CAULFIELD GREEN

"A" Fearons dealt a severe blow to Caulfield Green's chances of the 1970 flag by downing them 17-8.

The Fearons started very strongly and led 6-1 at the first change. Good goals by A. Rolley in the second half, the Fearons further ahead although the Greens managed 3 goals to the Fearons' 4.

In the third quarter the Fearons' backline held the Greens goalless and in the final term, although Caulfield put up a little resistance, the Fearons coasted home easy winners.

"A" Deacons, with only 3 more matches before the finals, had an overwhelming win against MHSOB. Goalthrowers W. Davis, 11, and R. Speakman, 7, could not be stopped and the Deacons are odds-on favourites for the 1970 pennant.

Coach K. Hope, aided by his captain M. Garnsworthy, will not be easing up on training despite the team's easy wins so the Deacons are in for a tough training session to earn their medal.

Hard working club secretary E. Rolley took a weekend off and went to Adelaide to see daughter Pam play for Victoria against S.A. against Margo Taylor, daughter of Mal Taylor, and Val Orr, wife of Fearon star Michael, are also in the Victorian team.

This week the Fearons play City at home and once again a first-rate match is assured.

Williamstown Baseball Club

Williamstown kept themselves in the four with one win and one draw in last week's round of games.

FIRST LX
Saturday

Town met Port Melbourne and after leading comfortably for most of the game the side went into a slump and this permitted the Port side to tie the score at 8-8.

Safe hits: B. Willis 2, F. Bowyer 2, N. Pedretti, L. Flower, J. Humphries.

Best: B. Willis, F. Bowyer. Scores: Williamstown, 8, drew with Port Melbourne, 8.

Sunday
In a complete reversal of form the Williamstown side thrashed the Fitzroy team.

This was the first time that Williamstown have been able to defeat Fitzroy.

Three home runs were hit in the game — one from Alan Harris with bases loaded that brought in a total of four runs, the others from Noel McLeod and Laurie Treadwell.

With this form and only three games to go the Firsts look set to take the final.

Safe hits: N. McLeod 2 (home run), F. Bowyer 2, L. Flower 2, A. Harris (home run), L. Treadwell (home

run), P. Bowyer, J. Humphries.

Best: N. Pedretti, A. Harris. Scores: Williamstown, 20, d. Fitzroy, nil.

SECOND LX
Town, after having the game well sewn up, relaxed allowing the Port Melbourne side to slip on five runs to defeat Williamstown by one run.

Scores: Williamstown, 5, lost to Port Melbourne, 6.

THIRDS
In a pathetic effort by the Thirds in which they were completely outclassed by a side that consisted mainly of juniors.

Port's young side was more aggressive and hence won a well-earned victory.

Scores: Williamstown, 3, lost to Port Melbourne, 7.

ALTONA HOCKEY TEAM DEFEATS SCOTCH

In a complete reversal of form the Altona A Grade team played magnificent hockey to defeat Old Scotch 2-1. Scotch are a final four prospect and had defeated Altona 4-0 in the first round.

However, on Saturday Old Scotch were never in the race against a determined and aggressive Altona.

Brilliant play by Baillie on the right wing had Scotch in all sorts of trouble and eventually led to Lukoczyk scoring a great goal.

The left wing, through Chellis, worked its way up for Fong to have a shot but it just clipped the crossbar.

In the second half Forrester made it 2-0 when, from a corner, he drove home a tremendous head high shot.

The goal by Scotch was the subject of much debate as it was apparently kicked into the net. Poetic justice to the poor sportsmanship of the Scotch player who claimed and got the goal — he has a broken toe.

To select best players would do an injustice to eleven team members who all contributed to a wonderful win and a fine game.

C North lost to OEG, 3-2. Playing away from the Grammar School a good game was marred by the poor state of the surface.

Altona had opportunities, however near misses do not count in hockey.

OEG had a distinct advantage with local umpires and obtained a lot of unfair advantages by kicking the ball and getting away with it.

Steve Jensen, promoted from the Under 16 team for his first game in C Grade did a good job as a replacement for P. Byrne, out injured.

Best: B. Smith, S. Cronin, E. McCauley.

D North defeat La Trobe University 1-0.

Playing away, Altona got home narrowly, but it was an important win as it made almost certain that the team will not be relegated.

The match was very close with La Trobe looking the better team but not being able to penetrate the Altona defence, capably led by Pat Shields as kicking back.

Altona scored its goal in the first half through Chris Bruce, but despite a few good tries by Richard Heaney, were unable to add any more.

The second half was marred by rain but the La Trobe forward line was narrowly kept at bay.

Best: P. Shields, R. Pratt, E. North defeated Strathmore, 1-4.

In a disappointing game Altona defeated Strathmore 1-0. A more appropriate result would have been 7-0.

The Altona players showed very little of the form required if they are going to win the flag.

After the game the temporary coaches, N. Hunter and W. Duncan, were heard to mutter: "Very disappointing, very disappointing."

The few bright spots in the game were the excellent goal by R. Waters, the ever reli-

run), P. Bowyer, J. Humphries.

Scores: Williamstown, 5, lost to Port Melbourne, 6.

THIRDS
In a pathetic effort by the Thirds in which they were completely outclassed by a side that consisted mainly of juniors.

Port's young side was more aggressive and hence won a well-earned victory.

Scores: Williamstown, 3, lost to Port Melbourne, 7.

ALTONA HOCKEY TEAM DEFEATS SCOTCH

In a complete reversal of form the Altona A Grade team played magnificent hockey to defeat Old Scotch 2-1. Scotch are a final four prospect and had defeated Altona 4-0 in the first round.

However, on Saturday Old Scotch were never in the race against a determined and aggressive Altona.

Brilliant play by Baillie on the right wing had Scotch in all sorts of trouble and eventually led to Lukoczyk scoring a great goal.

The left wing, through Chellis, worked its way up for Fong to have a shot but it just clipped the crossbar.

In the second half Forrester made it 2-0 when, from a corner, he drove home a tremendous head high shot.

The goal by Scotch was the subject of much debate as it was apparently kicked into the net. Poetic justice to the poor sportsmanship of the Scotch player who claimed and got the goal — he has a broken toe.

To select best players would do an injustice to eleven team members who all contributed to a wonderful win and a fine game.

C North lost to OEG, 3-2. Playing away from the Grammar School a good game was marred by the poor state of the surface.

Altona had opportunities, however near misses do not count in hockey.

OEG had a distinct advantage with local umpires and obtained a lot of unfair advantages by kicking the ball and getting away with it.

Steve Jensen, promoted from the Under 16 team for his first game in C Grade did a good job as a replacement for P. Byrne, out injured.

Best: B. Smith, S. Cronin, E. McCauley.

D North defeat La Trobe University 1-0.

Playing away, Altona got home narrowly, but it was an important win as it made almost certain that the team will not be relegated.

The match was very close with La Trobe looking the better team but not being able to penetrate the Altona defence, capably led by Pat Shields as kicking back.

Altona scored its goal in the first half through Chris Bruce, but despite a few good tries by Richard Heaney, were unable to add any more.

The second half was marred by rain but the La Trobe forward line was narrowly kept at bay.

Best: P. Shields, R. Pratt, E. North defeated Strathmore, 1-4.

In a disappointing game Altona defeated Strathmore 1-0. A more appropriate result would have been 7-0.

The Altona players showed very little of the form required if they are going to win the flag.

After the game the temporary coaches, N. Hunter and W. Duncan, were heard to mutter: "Very disappointing, very disappointing."

The few bright spots in the game were the excellent goal by R. Waters, the ever reli-

able play of C. Turner and G. Brown's constructive play.

Under 16 had a 5-0 walk-over.

Under 14 drew with Croydon, nil-all.

Altona fought out a no score draw against Croydon to ensure a place in the finals.

The locals had many scoring opportunities but again the forwards could not convert, while the backs, with Steven Smith in command, held the Croydon forwards.

Best: S. Smith, A. Relf, K. Bebernd.

Under 12's were defeated by Kew, 3-1.

The season is finished for the young lads who made up the team throughout the year, most of whom were playing hockey for the first time.

They are to be congratulated for a fine effort to finish in the middle of a field of 13 teams in this division.

LISTON-ESPLANADE TO PLAY GLEN IRIS IN A GRADE SEMI-FINAL

Liston-Esplanade's A Grade team will meet Glen Iris in their semi-final this week, whilst Royal South Yarra will be opposed to Elsternwick. The two winners will compete for the pennant the following week at Kooyong.

Last week saw the completion of the unfinished A Grade matches during the season. In a singles match against Glen Iris, previously postponed due to bad light, John Stephens defeated Max Senior 6-4 in the third set to give Liston-Esplanade a winning result of three rubbers to one.

Congratulations to John Stephens whose singles results of six wins out of seven matches proved him to be the best A Grader in the competition. This is John's best Pennant season ever and his only loss has been to Frank Sedgman. In that match John led Frank 5-2 but went down in straight.

In an unfinished doubles match Glen Iris resumed at 7 a.m. in the last set to win 11-9, giving them the match 3-1. This loss by Liston-Esplanade was vital to other teams as it prevented MCC from featuring in this year's finals and earned Glen Iris the fourth position on the ladder.

In other Pennant matches the club's "C" Special team defeated Clayton 3-1, John and Michael Kelly winning both rubbers and Robert Walker and John Hewitt scoring in one of theirs. The locals have strong claims now on a finals berth but must win in remaining uncompleted matches to seal their chances.

The "C" No. 1 team lost to Geelong 1-5-45 to 3-6-51. Sole rubber winners were Max Williams and Reno Mazzo who cantered home 6-1, 6-2 in one of their rubbers.

The "C" No. 2 team lost to Central Catholic 4-0. Ron Bury and Charlie Trickey were stiff to lose a rubber 6-5, 6-5.

The "D" No. 1 team finished the season on a high note by defeating Coburg 2-3-41 to 2-4-40. David Fowler and Alan Urban won a rubber 6-4, 6-2, whilst Les Allan and improving Wayne Pauline won 6-3, 6-4, and scored a set in their other. Wayne is shaping up well in his Pennant appearances and has been a valuable emergency for the club. He should play regular Pennant next season.

The "D" No. 2 defeated Aberfeldie by six games winning being John Gammon and Stephen Skalka in three and Colin Fowler and Allan Lees also in three.

In the women's division the "D" No. 2 team lost to Grace Park 2-5-40 to 2-4-37. Kath and Geradine Taylor won 6-2, 6-3, whilst Carmel Ryan and Lynette Gilbertson won 5-6, 6-4, 6-4.

Newport Amateur Swimming Club

Swimming against Ballarat on Sunday, July 26, two Newport teams—Senior Boys and Senior Girls—were successful.

Excellent performances were shown by Geraldine Murphy with three individual wins, Scott Splatt, Alan Preston, Clyde Davenport, William Weir, Robyn Jackson, Robert Turner and Gary Ryan were other individual winners.

The teams also won five relay events.

As only two more Sunday afternoon swimming meetings remain, it is probable that Newport will have three out of four teams in the final series held at Clayton Pool on August 16 and 23.

A good night of swimming is assured on July 29 as 161 entries have been received for the Calderwood Handicap. There will not be any club swimming tonight. Graded scratch races will continue next Wednesday night, August 5.

Holy Trinity Football Club

Both the Under 12 and 15 teams ended the home and home games with fine wins over the Yarraville Football Club.

The Under 15's finished third on percentage and will meet Laverton Youth Association in the first semi-final.

The Under 12 boys finished on top by percentage and will meet Wotton Methodist in the second semi-final.

Mick Lomas, with 68 goals, and Bill Mitchell, 38 goals, won their grades goalkicking awards.

UNDER 12

Holy Trinity, 12-13-85, d.

Yarraville, 1-0-6.

Goals: W. Mitchell 5, A. Gibson 3, J. Dean, S. Smith, G. Knight, B. Gerring.

Best: A. Gibson, W. Mitchell, B. Gerring, B. Murphy, J. Dean, A. McEllan.

UNDER 15

Holy Trinity, 8-13-61, d.

Yarraville, 7-9-51.

Best: A. Sahhar, M. Lomas, G. Dean, L. Cloughton, S. Stuart, G. McGowan.

After training the Under 15 boys will be entertained by their coach, Mr. A. Hewitt, at his home on Thursday, July 30.

Altona Methodists Football

UNDER 12

The last game of the home and home round finished on Saturday at Grant Reserve with the Altona Methodists beating top team Williamstown Methodists in a very hard-fought game.

Scores: Altona Meths., 2-1; Williamstown Meths., 2-1. A battle of the defences, this game saw some really top football with Altona's backline holding Williamstown scoreless in the first quarter with the wind.

All parents are asked to make a special effort to come and cheer the boys on in the first semi-final at Williamstown Football Ground this Saturday at 8.45 a.m.

IMMEDIATE ACTION NECESSARY IF EARLY CHARM OF MELBOURNE TO BE RETAINED

"Unless careful planning is undertaken immediately, none of the great charm of the old inner suburbs of Melbourne will remain," the Chairman of the National Trust of Australia (Victoria), Mr. Rodney Davidson, said.

Mr. Davidson continued: "The National Trust urges the Government, the Government Departments and City Councils controlling the areas of the inner suburbs to urgently confer to stop the present ruthless destruction of the important early historic areas.

Almost simultaneously with a public realisation that the terraced houses and homes of many areas of the inner suburbs could be restored as superb town houses, developmental pressures and Governmental policies have resulted in the bulldozing and the threatened bulldozing of large areas.

If this continues, the great early environmental residential areas of Parkville, Carlton, North Melbourne, South Melbourne, South Yarra and East Melbourne will disappear. The residents of these areas, the State and the Nation will be the poorer.

Surely people should have the protection of being able to buy in an area with certainty that the particular environment they choose to live in is protected from destruction by so-called progress.

Certainly some areas of the inner suburbs need redevelopment and should be redeveloped. However, the present policies also threaten areas that could be restored and developed in an appropriate manner to retain their old-world charm while, simultaneously, complying with modern living standards.

Within the last few weeks areas of Parkville and Carlton are under the possible

threat of compulsory redevelopment and a Court has supported a Housing Commission Demolition Order recently placed on one of the State's most important early buildings—3 Cox's Gardens, Williamstown—classified "B"—despite the fact that the occupier and recent purchaser plans to remedy the defects.

Without urgent planning there will be nothing left of early Melbourne."

Mr. Davidson added: "Does our generation want to be remembered for what it has created or what it has destroyed? This is the question we must answer."

Pipeline? Where?

It's just under the children's feet — see it? Not unless you dig deep through the clean, white sand. This is where one of the Esso-BHP pipelines comes ashore on the Gippsland coast. It stays underground on the way to the treatment plant. Extraordinary care is taken by Esso and BHP. The steel pipe is seamless, and the entire pipeline is coated twice with coal tar enamel and special fibreglass sheathing. Then it's

wrapped in a layer of asbestos felt, impregnated with coal tar.

After this pipeline was laid, new grass was planted to check dune erosion. This is now one of the greenest spots on the coast. When oil was found in Bass Strait, the job had just begun. And from then on every precaution has been taken to ensure that the oil and gas reach their destination without any safety hazard and without marring the landscape.

MARROONS DOWN TO BOX HILL

Altona were at home to the League leaders Box Hill last Saturday and any chance they had of winning "went by the boards" when Billy Savage blasted the ball on to the crossbar from two yards out.

It was a gift chance and one which could well have put the Marroons on the victory trail. As is always the case in games like this Box Hill went straight downfield and a long-ranged shot found Roberts not allowing for the late swing of the ball and the Hillmen were a goal up. Jimmy Allen and Hans Delarmyn were in great form. Allen, in particular, played like a man inspired. Copley and Hynes were triers.

Up front the forwards just couldn't make the opening in a strong Box Hill defence.

King, Herman and Stancovski, despite all their efforts, just didn't have the cunning to outwit an opponent.

The League leaders were having an off day and the strong wind didn't help players to play good soccer and the game didn't reach the standard expected.

The second half saw Altona apply pressure to try and reduce the leeway.

King tried a long-ranged shot and Herman had a header but a goal didn't even look like being scored and to make matters worse the linesman flagged for offside. The Altona defence stopped but the Box Hill player ran on and scored goal No. 2. The referee refused to consult the linesman and the locals were two down.

It was after this goal that Altona played their best. Spurred on by Allen and Colbard they could well have scored the two goals that were needed but the keeper and the full back both made good saves. King raced in and failed by inches to connect at the ball was kicked out of the line.

Altona will want to forget this game and try some new moves for this week's game at Dandenong.

The Reserve XI had a good 4-0 win over Gollin and Jordanus played well.

On Sunday Altona defeated Carlton 1-0 in the third Federation Cup round. Herman scored for Altona. Hynes and Copley kept up a constant bombardment on the Carlton goal. Milloy and Balus were stalwarts in defence but the forwards have lost their touch since scoring 7 goals against St. Albans.

Altona City Football Club

UNDER 18

Altona B, 1-4, lost to Altona A, 18-19.

Playing with fire, vigour and enthusiasm, Rebels kept City under pressure for the first half of the first quarter before Gordon Wilson broke through and shot for goal, but the wind made it a poster.

In the second half of the first quarter City started to team together to score 5-4. Players of both sides were continually waiting for the ball to come to them instead of going to meet it.

Later in the game many players went down with cramp due to the harder ground and warmer weather. Salt tablets will be available for players prone to cramps.

Congratulations to Alec Johns and his boys for taking the game right up to City and contesting for the full 90 minutes.

Best wishes go to the Rebels from the City boys for the first semi-final.

Goals: Patton 5, Wilson 4, Court 3, Grainger 2, Dern 2, Van Dyke, Rosenboom. Best: N. Court, E. Valente, W. Patton, K. Dern, Hardham, Rosenboom, Tyrell.

Hynes Gains W.S.F.L. Best and Fairest

By WARDEN JAMES

Williamstown ruckman Jim Hynes, who stands 6'3", has taken off the Western Suburban Football League's Under 16 best and fairest award.

Hynes, who has already been approached by South Melbourne Football Club, polled votes in 9 out of 15 games to run out an easy winner. He polled 25 votes, including 7 firsts and 2 seconds.

Nearest to him was Altona's John Hampton with 17, followed by Altona's Ken Churchill and Newport's Frank Callus, who each received 12 votes.

Most outstanding performance in WSFL matches this week was put up by Newport Under 16's full-forward Ralph Saegi, who kicked 12 goals out of his side's total of 27.25.

This brings Saegi's tally in the past three matches to 28 goals, as he booted 11 last week.

Newport have developed a very effective forward plan and indications are they will give top sides Altona A and West Newport plenty of "curry" in the finals series.

In open age matches, top teams West Newport, Altona and Newport all registered easy, percentage-boasting wins.

West Newport kicked 10 goals straight in the first quarter and the issue was never in doubt against Brooklyn.

Altona, with winger Richard Zapart and former player Jim Riley back from Williamstown Seconds, both starting, had few worries against Laverton.

Central Altona kicked six goals with the wind in the first quarter and three against the breeze in the second to have a commanding lead at half time.

Maidstone again were short of players, and although there was not much between them and Point Cook to half-time, the Maidstone boys tired badly in the second half.

In other Under 18 games, West Newport were far too strong for Central Altona, and Altona A, although playing with only 17 men, completely outclassed Altona B.

OPEN AGE

West Newport 24.13 (157) 1. Brooklyn 2.5 (17); RAAF Point Cook 17.14 (116) d. Maidstone 7.4 (46); Newport 16.14 (110) d. Williamstown 7.7 (49); Altona 15.16 (106) d. Laverton 4.3 (27); Central Altona 13.14 (92) d. Werribee 6.8 (44).

Outstanding players for West Newport were J. Langgan 1, G. Johnstone, I. Fleming 6 and F. Joyce 1, while other scorers were I. Walder 5, T. Borthwick 4, G. Broadfoot 2, W. Luttick 2, J. Taylor and R. Parsons.

Dominating players for Altona were R. Zapart, J. Riley 4, M. Tisdale, S. Chaffield 2, M. Crump 1, and R. Lawson, while other scorers were G. Munro 3, T. Hogan 2, P. Brennan, P. Reid and D. York.

Excellent performers for Central Altona were E. Jepson, M. Sayers, O. Stumbras, W. Kennedy and D. Robinson 2, while others to score were R. Cole 4, K. Gilchrist 3, R. Smutney 2 and T. Wrybicki.

UNDER 18

Dominating players for West Newport were L. Durham, M. Healey and L. Robinson, while main goal scorers were G. Richards 5, E. Hateley 3 and K. Smith 1.

Battlers for Central Altona were D. Rokhamper 2, J. Puopolo, L. Thwaites 2, R. Makinson and P. Rog-

osh, while C. Beer and B. Feth also scored.

Outstanding players for Newport were A. Flavel 2, R. Saegi 12, J. Moloney 1, S. Pacifici 5, G. Duncan and R. Eyles 1, while other scorers were J. Bester 2, C. Ravenscroft, J. G. Watson, F. Callus and S. Hickey.

Laverton's hard triers were C. Camilleri, M. Payne, P. Howells, J. Harper, K. Allan and K. Toetell.

Brilliant players for Altona A were N. Courtot 3, E. Valente, W. Patton 5, K. Dern 2 and I. Hardham, while other scorers were G. Wilson 4, S. Grainger 2, H. Van Dyke and J. Rosenboom.

Altona B's battlers were K. Churchill, W. Russell, K. Haining 1, B. Smith and S. Stiles.

UNDER 16 SEMI-FINAL

Devon Park 10.4 (64) d. Newport 6.7 (43).

Devon Park's outstanding players were G. Johnstone 1, R. Hosking, J. Ferrene 1, J. Pisano, K. Tubbs 5, and K. Mason 1, while other scorers were R. Knoester, and G. Pegg.
